

ULTRASONIDO

Renta de Equipo

Renta de Maquinas de Ultrasonido

-20Khz, 1100W, 2200W

Aplican restricciones

Diseño y Fabricacion de Sonotrodos y Nidos

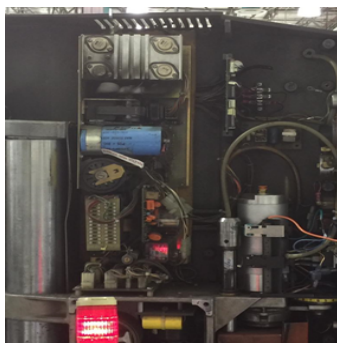

Sonotrodos

-Titanio, Aluminio, Acero

-20Khz, 20Khz, 40Khz

Nidos

-Aluminio, Acero, Delrin y Uretano

Venta de Refacciones

Refacciones de Maquinas Obsoletas

-Transistores, Triggers, Fuentes de Poder, etc

Servicio y Entrenamiento

Entrenamiento Teorico y Practico

Servicio a Maquinas Obsoletas

**DISTRIBUTOR
IN MEXICO OF:**

Dryers

- Floor Mount Dryers
- Portable Desiccant Dryers
- Drying Hoppers
- Hopper Mount Dryers
- Compressed Air Desiccant Free Dryers

Multi-Hopper Bank Systems

- Wide Variety of Size and Configurations
- Dry Different Materials at Each Hopper
- Can Be Used As A Central Drying and Conveying System

Self Contained Loaders

- Stainless Steel Body
- Remote Mount Mini-PLC Control
- Automatic, Pulsed Blowback Filter Cleaning With Accumulator
- Machine Mount VL's
- "No-Load" Alarm and Silencer Button
- Easy Access Modular Design

PLASTIC INDUSTRY CONSULTANTS

HOT RUNNER CONNECTORS

Mold wiring systems.
Power and Thermocouple Cables and Connectors.

Polishing Stones

EDM Mold Polishing Stones, Diamond Compounds, Ceramic Stones,
Air Profilers, Polishing Equipment.

Felt Bobs

Felt Bobs Different Styles, Diamond Compounds, Diamond Tools, Burrs,
Points, Diamond Coated Drills, Fiber Abrasives.

Mold Date Inserts

Mold Date Inserts, Core Cam, Flexible Core, Double Ejectors, Ejector
Index, Ejector Base, etc.

PLASTIC INDUSTRY CONSULTANTS

CF- 2A Shown

Chillers

- Capacities from 1/4 - 40 Tons
- Air Cooled and Water Cooled
- Non-Ozone Depleting Refrigerants
- 20°F to 80°F

Temperature Control Units

- Stainless Steel Cabinetry
- Solenoid Cooling Valve
- Operating Temperatures Up to 400°F
- Water and Oil Units
- 3/4 - 5 HP Process Pumps
- Microprocessor Digital Control

Vulcan Hot Runner Controllers

Rugged and Powerful Product

Vulcan offers our Hot Runners Controllers from 1 Zone up to 48 Zones

Includes the cables, modules, connectors and main frames.

PLASTIC INDUSTRY CONSULTANTS

ARI

AUTOMATION

ARI ROBOTS

- Full Servo Robots for up to 3300 ton Injection Molding Machines
- Top Entry Robots
- Side Entry Robots
- Custom Automation Design

ARI

Sprue Pickers

- 100-380 Tons
- Simple Swing adjustment between 50-90°
- Easy changeover between operator and non operator side
- Pivoting base allows for easy mold changes

END OF ARM TOOLING

Design and fabrication of End Of Arm Tooling for Automation.

We can offer the following components:

- Grippers
- Vacuum cups
- Etc
